Maharaja of Mysore, Departments of Education,
Agriculture, Industries and Commerce,
Bangalore

SIR

In accordance with sub para 5 of Government Order No G 4058-109/G 55-12-109, dated 25th January 1913, I am directed to submit, for the consideration of Government and for such action as they may be pleased to take, the following resolutions regarding the development of Education in the State, which were carried by a majority a Birthday Session of the Conference of 1913 --

(1) That suitable arrangements be made for the peri medical inspection of school children generally on th lines indicated in the following recommendations -

(a) All medical officers in charge of hospitals and pensaries should regard it as their duty to in all the pupils in all the schools in their s a It should be the duty of District edical and tary Officers to inspect pupils in other schoo whenever they are on tour

(b) In the case of each pupil in whom some disease defect is noticed, a complete record of the re of each inspection should be maintained in a r ter kept for the purpose This register sl oul carefully preserved among the school records

GPB—1000—1413

(c) A form should be provided in which the defects noticed and the remedial measures suggested should be noted and handed over or forwarded to the parent

(d) Pupils recommended for treatment should receive medical aid and advice free as out-patients in dispensaries

(e) Once in three months, in the months of January, April, July and October, the Medical Officer should pay his visit of inspection to examine pupils admitted since previous inspection

(f) A cursory examination of all pupils should be made at least once in two years

(2) That a sanitary inspection of the school building be also made at the same time as the medical inspection of the school childr

(3) That Public Libraries and Free Reading Rooms be established on the lines indicated in the following recommendations -

(a) That State Libraries be established at Bangalore and Mysore with any of the existing State Libraries as nuclei

(b) That a regular effort be made to provide in both place books fitted for research work and advanced study in all important branches

(c) That persons approved by the Principals of Colleges be admitted to College Libraries as members entitled to study and borrow books on scientific subjects

(d) That in places where schools have libraries, arrangements be made by the Inspector-General of Education to make such libraries available for the local public

(e) That books be lent from public libraries to paying subscribers and to approved non-subscribers

(f) That Free Reading Rooms be attached to public libraries

(g) That an additional budget provision of Rs 50,000 during the first year and Rs 25,000 in subsequent years be made by Government for the supply of books and periodicals to public libraries and Reading Rooms

(h) That grants not exceeding Rs 100 and not exceeding subscriptions otherwise raised, be made to village libraries

3

(i) That all public libraries and Free Reading Rooms established by Government be placed under the control of the Inspector-General of Education in Mysore

(j) That grants be given by Government to private librari and Reading Rooms which conform to rules to be framed, ir respective of locality, village or town (27 in favour, none against--Carried)

(4) That the scheme of Compulsory Education be brought into forc in all District Headquarter towns and in one or more large towns selected in each District (25 in favour, none against--Carrie

(5) That the British Indian Universities be approached with a vi to procure for Local University Examinations, the necessary reco nition to entitle candidates passing those examinations to gain admission into Colleges outside the State (28 in favour, none against--Carried)

(6) That permission be given to the Education Committee to organ a course of lectures on the lines indicated in the Note appended to the Report of the Education Committee (23 in favour 1 against--Carried)

(7) That to help the advancement of Higher Female Education, a Boarding House be attached to the Maharani's College and placed completely under the superintendence and management of ladies, suitable facilities being provided, as far as possible, for the admission into the Boarding House of pupils of all castes

(8) That one or two Boarding Schools for girls of the middle school standard, be established in other places that day schola be admitted to these schools but the school building, the Board ing House and the Superintendent's quarters be all located in th same compound and the school and the Boarding House be under the exclusive superintendence of ladies

4

(9) That special encouragement in the shape of scholarships of Rs 2 and Rs 3 in the fourth and fifth classes of girls' schools be given to those students who undertake to become teachers (27 in favour, none against--Carried)

(10) That Model Infant schools be established where there is a demand for them and suitable fees be levied to make the institutions self-supporting in the matter of recurring charges, over and above the ordinary charges of a Primary School (28 in favour, none against --Carried)

(11) That a High School for girls be established at Bangalore (33 in favour, none against-Carried

2 The report of the Education Committee to which reference is made in one of the resolutions is also submitted herewith

I have the honour to be,
Sir,
Your most obedient servant

C S Balasundaram
Secretary
